WELCOME TO YOUR NEW LIFESTYLE

Nestled in the picturesque village of Gainford in County Durham, Spa Gardens offers a collection of beautifully designed homes that blend elegant architecture with modern comfort.

Wharfedale Homes and Raby Estates have partnered together to offer a range of sustainable, luxury homes with carefully crafted spaces that are tailored to suit every stage of life.

A PERFECT SETTING...

Gainford is a charming village rich in heritage, located on the banks of the River Tees and within the iconic Raby Estate. Spa Gardens has a clear architectural identity and has taken cues from Gainford's historic village centre whilst making its own mark.

Excellent primary schools and nearby secondary education

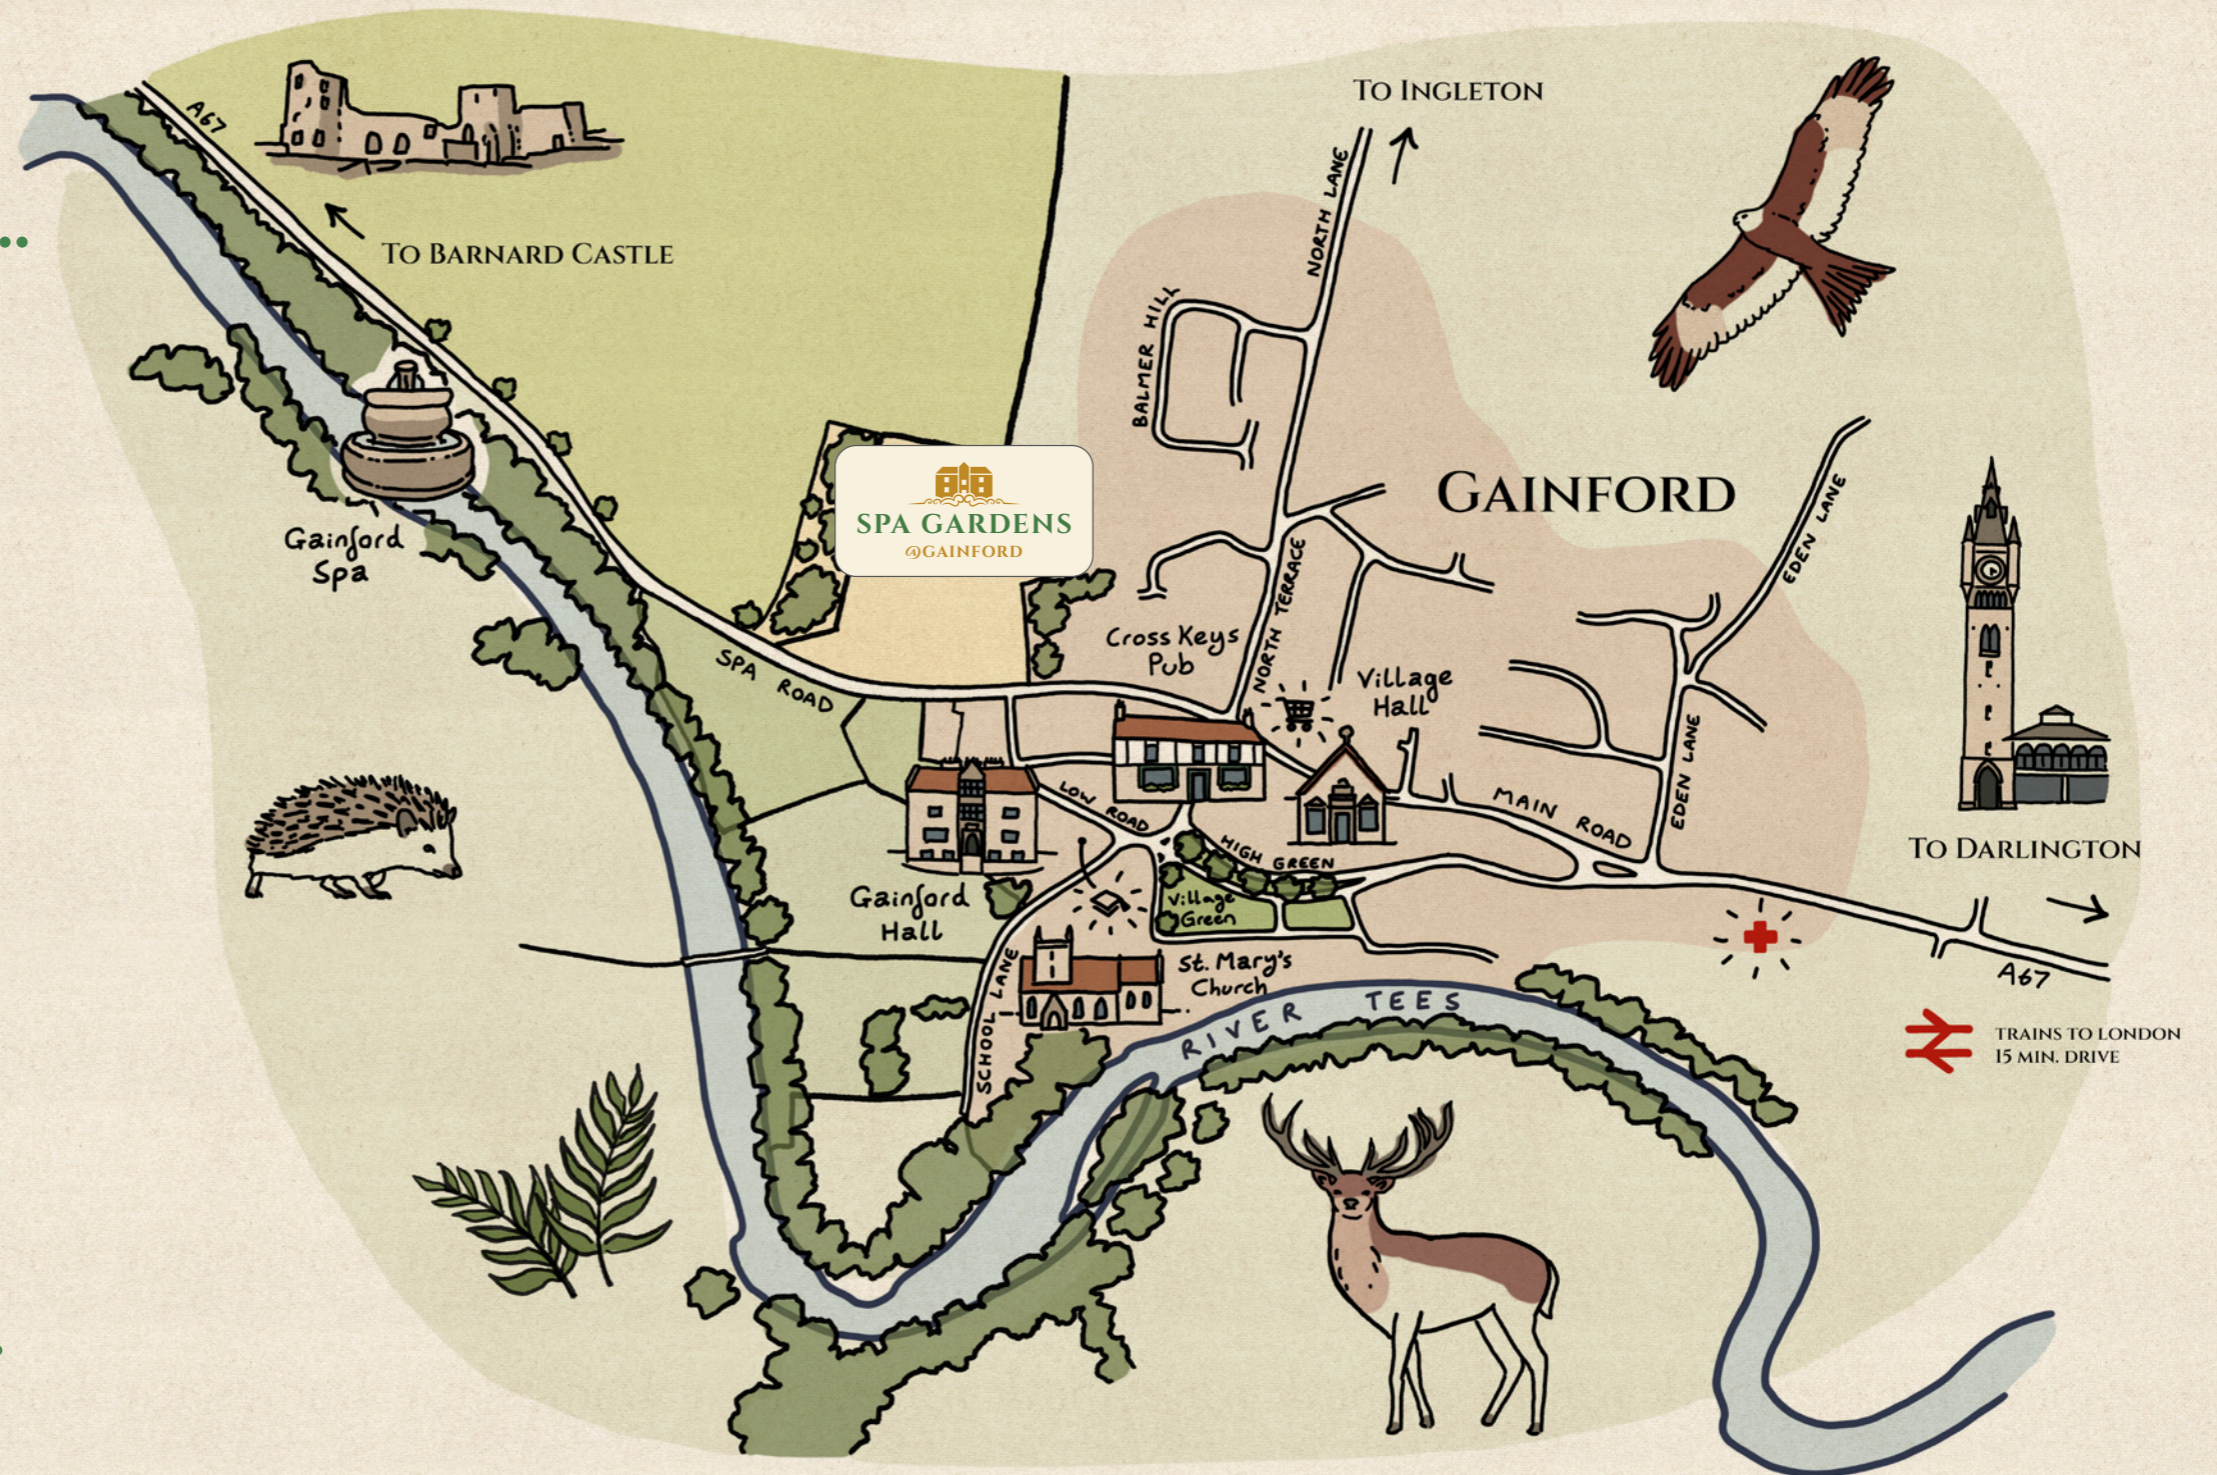

Local shops, pubs, and a welcoming village community

Easy access to Darlington, Barnard Castle, and the A1(M)

Surrounded by beautiful countryside, riverside walks, and historical landmarks

WHERE TO FIND US...

Postcode for Sat Nav: DL2 3EB

From the North: Exit the A1 at junction 58 taking the A68 west towards West Auckland. Turn left onto Walworth Road and continue south on Ulnaby Lane until the A67/High Coniscliffe. Turn right onto the A67 for approximately 4 miles and Spa Gardens is at western side of Gainford village on the right.

From the South: Leave the A1 at junction 56. Follow the B6275 north towards Piercebridge. Once through Piercebridge turn left and take the A67 west for approximately 2.5 miles. Spa Gardens is through Gainford village and on the north side of Spa Road/A67.

ABOUT THE ESTATE

R A B Y

Acres of dramatic, heritage landscapes and unique buildings, steeped in a rich history, across County Durham and Shropshire.

The Castle

A powerful exterior with a superb collection of art and artefacts.

Raby is without doubt one of the most impressive intact castles in the North of England. Built in the 14th century by the powerful Neville family, it has a long history. Home to Cecily Neville, mother of two kings of England, it was also the scene of the plotting of the Rising of the North and a Parliamentary stronghold during the Civil War.

The Deer Park

Spend time in the grounds of Raby Castle.

With 200 acres to explore and a range of wildlife on our doorstep, there is plenty to see and do across Raby Park. Discover our walking routes and meet our herds of red and fallow deer.

Between May and July our female deer give birth and although it is very exciting to see babies around the park we always remind our visitors to respect their privacy and keep a safe distance.

If you see a baby deer in the park do not approach it, even if it appears to be on its own. Its mother won't be too far away and you could be putting the calf and yourself at risk by going too close.

The Walled Garden

The 18th century Walled Garden has been recently remodelled by renowned garden designer Luciano Giubbilei with Lady Barnard. Together, they have laboured to create a stunning 5-acre vision, including the estate's well-known yew hedges and the iconic Raby fig. In doing so, they have retained the gardens' distinctive spirit; one in which the character of Raby and its rich history is deeply embedded.

The Plotters' Forest

The Plotters' Forest is an immersive outdoor playground located in a magical Christmas Tree Plantation at Raby Castle.

The perfect place to reap the benefits of outdoor play for children using a range of interactive games.

'Close to nature' takes on a new meaning in The Plotters' Forest. Built around the existing trees and natural clearings with sustainable materials, the playground equipment feels woven into the forest; an extension of the great outdoors. We've taken care to respect our beautiful natural environment, with larch cladding sourced from our sustainably managed woodland and colours inspired by the forest's stunning palette.
